

Winter

Pack of 3 activities on
Majorca

Climbing + Canyoning + Hiking

CLIMBING BAPTISM

It is an activity for all those who wish to join the world of climbing safely, attracted by this world but still unfamiliar with its inside.

Duration: Between 4 and 5 hours

Requirements: To be in good physical shape and not suffer from vertigo

Level: Easy

Material: Food and water. Comfortable and warm clothes and sports shoes.

CANYONING

The torrent of Coanegra has got all characteristics of the canyons of Mallorca: waterfalls, absails and slides but in a smaller scale, that what makes it ideal for beginners in the world of canyoning.

Duration: Between 4 and 5 hours

Requirements: To be in good physical shape and not suffer from vertigo

Level: Easy

Material: Shoes suitable for walking on stony and uneven terrain that can get wet. Thermal and lightweight clothing that could fit into a waterproof pot. Swimsuit. Food and water. A complete set of dry clothes that we will leave in the car. Towel.

HIKING

One of the most spectacular routes in Mallorca, the viewpoints we will encounter on this route are magnificent balconies overlooking the north shore and all peaks near Valldemossa.

Duration: Between 4 and 5 hours

Requirements: To be in good physical shape and being able to hike a difference in height of 450m

Level: Medium

Material: Comfortable and warm clothes. Shoes suitable for walking on stony and uneven terrain. Food and water.
