

# Winter Pack

Adventure on  
**Majorca**

## Caving + Canyoning + Hiking

### CAVING

It is an activity for all those wishing to discover the underworld ... consists of an output to an easy and beautiful cave where you will find all kinds of speleothems: stalactites, stalagmites, eccentric, banners, cast, gour. ... Enjoy the experience!

**Duration:** Between 4 and 5 hours

**Requirements:** To be in good physical shape and not suffer from claustrophobia.

**Level:** Easy

**Material:** Food and water. Comfortable clothing because we drag along the ground and sports shoes. A COMPLETE change of clothes to leave in the car.

### CANYONING

The Coanegra canyon has got all characteristics of the canyons of Mallorca: waterfalls, absails and slides but in a smaller scale, that what makes it ideal for beginners in the world of canyoning.

**Duration:** Between 4 and 5 hours

**Requirements:** To be in good physical shape and not suffer from vertigo

**Level:** Easy

**Material:** Shoes suitable for walking on stony and uneven terrain that can get wet. Thermal and lightweight clothing that could fit into a waterproof pot. Swimsuit. Food and water. A complete set of dry clothes that we will leave in the car. Towel.

### HIKING

One of the most spectacular routes in Mallorca, the viewpoints we will encounter on this route are magnificent balconies overlooking the north shore and all peaks near Valldemossa.

**Duration:** Between 4 and 5 hours

**Requirements:** To be in good physical shape and being able to hike a difference in height of 450m

**Level:** Medium

**Material:** Comfortable and warm clothes. Shoes suitable for walking on stony and uneven terrain. Food and water.
